6.1M SPORT RIB

Be Amphibious with the 6.1m Sport RIB. The most compact in the Sealegs family, the 6.1m Sport RIB provides all the benefits of Sealegs amphibious craft in an efficient, practical package.

With a carrying capacity of up to 6 people, the 6.1m Sport RIB is perfect for solo or group adventures, and its smaller size allows it to fit in any boat shed or lazarette.

The sport console allows walk-around access to the whole craft, great for fishing and for packing gear.
